

# Work Experience Programme.

## Jack Hegley - Audit, Business Tax and VFO

### Why did you choose PEM?

I already knew about PEM, as they run the accounts of my dad's business. Also, being part of the finance sector, I capitalized on the opportunity to tailor my potential university course and subsequent career.

### How did your role develop and what did you enjoy most about it?

Throughout the week, I gained more responsibility and understanding. I enjoyed completing tasks and getting constructive feedback.

### What skills were useful in this profession?

I have learnt that its necessary to be comfortable

with Excel, also each team was very friendly and communicative.

### What experience have you gained at PEM?

I have gained real-world experience and a taste of the accounting sector.

### What was your favourite aspect about your role?

I liked the personal element, working as a team to complete tasks.

### Describe working at PEM in three words.

Efficient, Personable, welcoming.
