

# Work Experience Programme.

## Thomas Newnham – Accounts

### Why did you choose PEM?

I chose PEM as my school advertised it as having a really thorough work experience program for accounting.

### How did your role develop and what did you enjoy most about it?

Over the placement, I got given more responsibility and gradually gained more independence in my role, being able to take on more challenging tasks.

### What skills were useful in this profession?

Attention to detail, resilience, technology and communication.

### What experience have you gained at PEM?

I've gained experience in preparing accounts for small businesses and high net worth individuals which has helped me understand how businesses run as well as learning accounting.

### What was your favourite aspect about your role?

I enjoyed the satisfaction of an account being fully prepared after putting all the effort in.

### Describe working at PEM in three words.

Variety, fast-paced, enjoyable.
